Annual Report and Accounts 2023

The Tony Loy Trust was set up in 2012 in memory of Tony Loy. The object of the Trust is:

To advance the education, support the development and provide opportunities for children and young people under the age of 25, individually or in groups, in the village of Blewbury and neighbouring area in the arts and sport, in such ways as the charity trustees think fit, including by:

- providing grants, allowances or scholarships
- supporting training
- assisting travel, events or projects

The Trustees are Sheila Loy, Francesca Gubbay, Maria Nightingale and Steve White.

A summary statement of the Trust's income and expenditure in 2023 is attached.

This is the eleventh full year of operation of the Trust. We received donations of £1,210, which once again included a generous donation from the Blewbury Players of £847 from the profits of their annual music quiz. We received £1,140 from Sarah Donne, who raised money for the Trust through her participation in the local Uptonogood Sponsored Bike Ride. We are very grateful to Sarah for her efforts on behalf of the Trust. We also received £75 from the sale of Roy East postcards.

It was a busier than normal year for grant applications and we awarded seventeen grants totalling £6,920, of which £3,000 covered sporting activities, including motorcycle racing, triathlon, football coaching, girls football and boys rugby and football, and £3,920 covered arts activities, including music, dance, drama, performing arts and the purchase of keyboards.

Over its eleven years of operation, the Trust has awarded 115 grants totalling £52,932 to young people in Blewbury and the surrounding area. 57% of these have related to sporting activities and 43% to the arts. The grants have covered a very wide range of projects and activities, as can be seen by the case studies on our website. We are very proud to be supporting the development of young people, in Tony's name, and grateful for the contributions and encouragement of all our supporters.

The Trust ended the year with cash of £9,543 enabling it to continue supporting young people in the sports and the arts.

More information about the activities of the trust can be found on our website
